Some highlights of the Spring Term at TMPS

Y5/6 - Young Voices, 2020

Earlier this term the children of Y5/6 performed in a massed choir of over 6,000 at the NEC in Birmingham - it was a brilliant evening for all involved. The performance was to a very high, professional standard and will be remembered for a long time by all who attended the concert.

Mental Health Week

For children's mental health awareness week we found our 'brave.' In assembly, Mrs Brockhurst shared a story of a time that she had to find her 'brave.' In classes the children talked about mental health and being respectful to people who are anxious and worried about things that they might find ok. Thank you for all of the donations. We raised around £50 for Place2be.

Emergency Evacuation of the School - Reminder

As a normal part of our school routines we practise evacuating the school in case we have an emergency situation. If an emergency ever arose whereby we were unable to re-enter the school building the children would be taken to St Bertelin's Church as a safe haven. From this place of safety we would contact parents so that they could come to the church to collect their children; parents would be informed about the situation through do-jo messages, a message on the Tillington Parents' Facebook page and individual phone calls.

Safety Notices - Young Avenue

Following several comments that the school has received, can we ask all motorists dropping children off in Young Avenue to:

- Avoid parking/dropping off in the yellow zig-zag areas
- Avoid parking on the pavement

Thank you for your help with this.
