

# Tillington Manor Primary School - Curriculum Intent Statement

Our curriculum reflects the unique context and character of Tillington Manor Primary School and provides the framework for the learning of our children. Through our curriculum, we aim to develop children's mastery of the key skills (language development and confidence in reading, writing and mathematics are particular priorities), broaden children's understanding of the world in which they live, encourage children to be independent learners and help children to respond to significant events they have experienced.
