

Tillington Manor Primary School – Sport Premium Budget

Overview

There has been an incredible change within Sporting provision across Tillington Manor. This has seen staff gain valuable training and the children being able to access and use new and improved equipment, some of which had not been replaced for many years. The additional money received has allowed us to restock our P.E. store and has given staff the ability to teach a much enriched sporting curriculum – staff now have access to brand new equipment for all major sports, allowing for quality first teaching to occur in all lessons.

We are continuing to develop sport within our school and our aim, which we have recently achieved, was to secure permanent physical equipment to support children in KS1 and children with SEND. Through these initiatives we will encourage all children to be actively involved in sport at Tillington Manor.
