

# Tillington Manor Primary School – Sport Premium Action Plan and Evaluation 2023-2024

---

## Overview

There has been an incredible change within Sporting provision across Tillington Manor. This has seen staff gain valuable training and the children being able to access and use new and improved equipment, some of which had not been replaced for many years. The additional money received has allowed us to restock our P.E. store and has given staff the ability to teach a much enriched sporting curriculum – staff now have access to brand new equipment for all major sports, allowing for quality first teaching to occur in all lessons.

We are continuing to develop sport within our school and our aim, which we have recently achieved, was to secure permanent physical equipment to support children in KS1 and children with SEND. Through these initiatives we will encourage all children to be actively involved in sport at Tillington Manor.

# Evidence of Spends.

---

Breakdown of spends	Cost	Justification	Impact on pupils
Bee Active Staff CPD.	<p><b>£16,178.76</b></p>	<p>Bee Active are a company who specialise in providing the highest quality of sporting provision. They have specialist coaches which allow the school to experience alternative sports such as Yoga and play more common sports in a much more advanced way.</p> <p>Staff stay and observe these lessons, this aids their confidence in teaching P.E., their understanding of sports and also fresh ideas they can use to impact the children's learning.</p>	<p>The children have made brilliant progress in sport working with the Bee Active coaches. Not only do they improve their sporting skills but the coaches also aide their confidence and tactics within sessions. The improvement with staff CPD too is exceptional which has had a really positive impact on teaching and learning within Tillington.</p>

SEND/EYFS Sporting Equipment	£1,000	With SEND children having the right to an equal, balanced and tailored curriculum where required, we have invested in a range of specialist sporting equipment to help support our SEND learners.	Equipment purchased has helped children in EYFS with their physical development, especially those with SEND.
------------------------------	--------	---	--

Playground Equipment	£1000	Learning through play is crucial. Through our use of our Playground Leaders, we have invested in playground equipment which can be used during lunchtimes across all year groups.	With our playground equipment being updated regularly over the last two years, we did not need to buy any new equipment.
Sporting Events	£TBC We have left c.£2,000 in the budget for this to be used if required.	Transport, cover, affiliations, insurance and administration costs to outer school sporting events.	No spending was needed for extra curricular activities, any equipment needed was already in school. Transport was provided by parents/school staff.

Extra-Curricular Sports Funding.	£1000	By budgeting for sports clubs within schools, we aim to remove any limitations on clubs available to our students. This will allow staff to purchase any new sporting equipment needed for their specialist clubs which we currently may not have or be able to provide children with additional sporting experiences.	No spending was needed for extra curricular activities, any equipment needed was already in school.
PE Passport	£700	To improve the assessment of PE within school, PE passport allows teachers to record judgements on the system within the lesson and use AFL to adjust subsequent lessons. PE passport also gives us access to over 500 videos to model skills and show the children how to perform said skill. The system will also provide teachers with a range of lesson plans that they can access.	Pupils have had a broad, balanced and high quality curriculum. This has led to more children becoming genuinely physically literate with transferable skills. The emphasis on intra school competition in the PE Passport has enabled children to apply those skills they have been taught and experience those very important skills of winning and losing; alongside developing a sporting attitude.
Coaches for swimming	£2400	To provide transport for the y4 class to access their weekly swimming lessons.	Children have become much more confident swimmers with regular practise.
