

Year 1 Spring Term 2025

This grid outlines the knowledge and skills that Year 1 children will gain throughout this term.

As readers we will:

Continue to develop our skills in language understanding and retrieval of information, we will also increase our focus on inference skills. We will read an exciting range of books to inspire and motivate us as readers as well as gaining exposure to inspire us in our own writing. Children will continue to follow the synthetic phonics programme **RWI (Read Write Inc)** which will support children in reading words speedily according to the sounds they know. This will also support children in their spelling and writing.

As mathematicians we will:

Consolidate and extend our understanding of numbers and the place value of their digits up to 20. We will be solving one-step problems involving addition and subtraction within 20. Explore length, height, mass and volume practically and begin to record measurements.

As writers we will:

Be writing a character story inspired by the Talk for Writing text 'Not Now Bernard', and using our Talk for Writing skills to retell stories and then innovate our own versions. We will also be writing an information text about monsters.

As scientists we will:

In Spring we will learning about different materials and exploring properties such as absorbency, whether things are waterproof. We will be working as Scientists and conducting lots of different experiments.

As historians we will:

- In Spring 2 we will explore our unit 'Kings, Queens and Leaders'.
- We will understand the changing power of the monarchy in Britain.
- Be introduced to significant national events and order these chronologically.

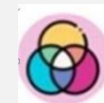

As geographers we will:

- In Spring 1 we will explore our unit 'The UK'.
- We will learn about the four countries that make up the United Kingdom: Scotland, Wales, England and Northern Ireland.
- We will focus on improving our atlas skills.

As artists we will:

- Be exploring Architecture, looking at building designs and why we need to know a building's purpose before designing.
- We will develop our own art styles and develop our pencil and painting skills.
- Explore the work of Van Gogh and Seurat among others.

In computing we will:

- Begin to look at programming, focussing on how to make a robot move.
- Learn about data and information, looking at skills such as how to group data.

As designers we will:

- In Spring 2 we will be creating Animal Sock puppets.

In RE we will:

- In Spring 1 we will learn about what God's job is from Jewish, Hindu, Muslim and Christian faiths.
- In Spring 2 we will learn about why we should care for the world from the Humanist, Muslim, Jewish and Hindu faiths.

In PSHE we will:

- Learn about our health and wellbeing.
- Learn about how to stay safe and our changing bodies.

As musicians we will:

- Be singing and focusing on an ostinato which is a repeated musical rhythm.
- Be learning about animals in music.

In PE we will:

- Learn to move to 'Under the Sea' music in dance.
- Learn to throw and catch in different net and wall games.

At Tillington Manor Primary School:

As part of our Social, Moral, Spiritual and Cultural curriculum we will continue to interweave our school core values into everything we do.

At Tillington Manor, our core values prepare us for life, and thread through all of our learning and experiences.

Don't forget to log onto Class dojo to receive our latest updates and see the wonderful learning that takes place each week!

Clubhouse:

If you wish to book your child into Clubhouse, please make sure you contact Miss Pearce or Miss Sharples.

Medical:

For any pupil medical related issues that you need to inform us about, please contact Miss Hall via ClassDojo. All prescribed medication in school must have a completed medication form. Please see Miss Sharples at the office.

Colder Weather

Now that the colder weather is with us, please can you make sure that your children are wearing warm winter coats, hats and scarves. Their school shoes also need to be waterproof so that they don't get soggy feet when they are playing outside. Any issues, please let your child's class teacher know.

Thank you!
