

Tillington Manor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

We know children only get one chance at their childhood. We believe it is our responsibility to provide all children the highest quality experiences and opportunities throughout Primary School starting with a flying start in Early Years.

Our curriculum for the 2025-2026 cohorts at **Tillington Manor** Primary EYFS aims to meet the diverse needs of every child. Our intent is to ensure that each child, regardless of background, starting point, previous experiences, or ability, leaves us equipped with the vital skills and knowledge needed to succeed. We aim to prepare them to continue their educational journey, confidently access the curriculum in subsequent years, and understand both British values and our school core values. Throughout their time with us, we strive to enrich their personal cultural capital. Our curriculum and end-of-year goals have been established based on the needs of our children, informed by input from parents, home visits, previous settings, and our baseline assessments. Our curriculum provides sequential learning opportunities to help every child achieve their potential and prepare them for life ahead, empowering them to enter the world as well-educated citizens.

	Autumn	Spring	Summer			
Nursery						
Nursery topic	All about Me	Journeys	Dinosaurs	Growing and Changing	Animals and Babies	Heroes and Adventurers

Prime Areas of Learning

Communication & Language Educational Programme

The development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing and echoing back what they say with new vocabulary added, practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, storytelling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.

Nursery	<p>Children will know:</p> <ul style="list-style-type: none"> - to respond to their name. - how to join in with familiar rhymes simple repeated refrains. <p>Story time</p> <ul style="list-style-type: none"> - what is required of them to communicate with others. 	<p>Children will know:</p> <ul style="list-style-type: none"> - to respond to a 1 step instructions. - with support, what they need to do to be effective listeners. - with support, what is expected of them in adult focus sessions. - how to use vocabulary which is new to them. Story time 	<p>Children will know:-</p> <ul style="list-style-type: none"> to respond to a 2-step instruction. - how to answer 'what' questions. - the key elements of being effective listeners and demonstrate these. - the importance of maintaining focus for longer periods of time. 	<p>Children will know:</p> <ul style="list-style-type: none"> - to speak in simple sentences. - how to refer to themselves as the first person. - how to begin successful back and forth interactions with others. - how to respond to a simple question such as 'what do you think' 	<p>Children will know:</p> <ul style="list-style-type: none"> - to use sentences of at; least 4, 5 or 6 words. - how to use joining words in spoken sentences. - how to speak in future and past tense. - how to answer simple why questions. 	<p>Children will know:</p> <ul style="list-style-type: none"> - a wide range of rhymes, some of which can be recited. - how to talk about books/ stories they are familiar with. - how to retell a short familiar story with confidence. T4W - how to start and continue a conversation with an adult
Reception	<p>Children will know:</p> <ul style="list-style-type: none"> - what is required of them to engage in story times. Story time T4W - how to retell familiar stories, sometimes using exact repetition of phrases. T4W - how to use a wide range of vocabulary in relevant contexts. 	<ul style="list-style-type: none"> - how to use social phrases appropriately. - how to talk about a range of texts including Fiction and Non-fiction books. Story Time - how to appropriately share their own ideas and thoughts with others. - how to use their imagination to invent their own stories based on a story they know. - how to compare different events and celebrations and talk about the similarities and differences. -Recognising left and right 	<ul style="list-style-type: none"> - how to engage in story times for an extended period of time. - how to talk about and describe familiar texts in detail. - how to compare different events and celebrations and talk about the similarities and differences. 	<ul style="list-style-type: none"> - how to discuss and make comments on their own observations. - how to ask relevant questions. - how to elaborate on their own ideas, thoughts and opinions. 	<ul style="list-style-type: none"> - how to initiate a conversation with others and continue it for many turns. - how to express their own point of view using talk. - engage in non-fiction books. - listen to and talk about stories to build familiarity and understanding. 	<ul style="list-style-type: none"> how to use talk to organise their own play. - listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary. - retell a story once they have developed a deep familiarity with the text; some as exact repetition and some in their own words. T4W - confidently use new vocabulary in different contexts.

Early Learning Goals

- Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions.
- Make comments about what they have heard and ask questions to clarify their understanding.
- Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.

- Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary.
- Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate.
- Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.

Sequential Curriculum Overview

Personal, Social and Emotional Development Programme of Education

Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life

Nursery	<p>Children will know:</p> <ul style="list-style-type: none"> -with support, how to wash and dry their hands and how to use the toilets. - how to be in the company of other children. - how to settle to some activities for a short period of time. - class expectations and with support, understand why they are important. E.g. Class agreement 	<p>Children will know:</p> <ul style="list-style-type: none"> - With support, take turns with others. - About different feelings – happy, sad, angry and worried - With support, understand the words 'yours' and 'mine'. 	<p>Children will know:</p> <ul style="list-style-type: none"> -Why it is important to brush teeth, and wash and dry hands. Oral hygiene -how to play alongside other children. -how to pretend play. 	<p>Children will know:</p> <ul style="list-style-type: none"> -The importance of maintaining focus for longer periods of time. how to talk about their feelings. - with support, remember class expectations and follow them - with support, find solutions to conflicts and rivalries. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to be independent in meeting their own care needs – using toilet, brushing teeth, washing and drying hands -how to play with other children and extend play ideas. -how to take part in pretend play (being a mummy or a daddy). -how other children may be feeling. 	<p>Children will know:</p> <ul style="list-style-type: none"> how to talk to others and find solutions to solves conflicts. -remember class expectations, know why they are important and follow them. Transition to Reception
Reception	<p>Children will know:</p> <ul style="list-style-type: none"> - the difference between simple emotions e.g happy and sad and how these are displayed in different ways. - when supported, how to manage their feelings and what they can do in situations they find challenging. -how to manage their personal needs with support. -who to go to, to seek support of adults when needed. -what makes a good friend. Class Agreement Use of additional books listed on MTP 	<p>Children will know:</p> <ul style="list-style-type: none"> - how to talk about their own feelings. - What is expected of them in and outside the classroom Core Values - The importance of trying new activities -how to initiate and develop relationships with peers and members of staff. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to begin to keep themselves safe and healthy. Oral hygiene School Nurse NSPCC pants That others have feelings and how their actions can impact these. -we have British values and begin to build an awareness of these through everyday practise. 	<p>Children will know:</p> <ul style="list-style-type: none"> -that everyone is intitled to their own thoughts, views, and opinions and this is ok. - how to manage their own behaviour - have a positive opinion of themselves and understand they have a valuable part to play in everyday life. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to set themselves simple, achievable goals - how to persevere with something they are finding challenging. -it is necessary to have to wait for something or someone. A range of strategies, such as using the timer to share resources which will enable them to solve conflicts independently. Assemblies 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to be empathetic and sensitive to the needs and feelings of other around them. - to be able to articulate their feelings and begin to understand why they feel this way and what they can do to self-regulate. -how to be confident to try new activities in new situations. -what they need to do to build new secure relationships. Transition to Year1

ELG

- Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers.
- Show sensitivity to their own and to others' needs
- Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.
- Explain the reasons for rules, know right from wrong and try to behave accordingly.

- Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.
- Show an understanding of their own feelings and those of others and begin to regulate their behaviour accordingly.
- Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate.
- Give focussed attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.

Tillington Manor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

Physical Development Programme of Education

Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination, which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.

<p>Nursery</p>	<p>Children will know:</p> <ul style="list-style-type: none"> -The importance of becoming independent. - how to mark make with a variety of media. - how to catch a large ball - How to use large movement muscles to wave flags or streamers - how to take part in activities as a group with support. 	<p>Children will know:</p> <ul style="list-style-type: none"> - with support, which resources are used for different activities -how to hold a pose for up to 5 seconds -With support, how to move in diverse ways – run, walk, tiptoe, crawl -how to make snips in paper with scissors 	<p>Children will know:</p> <ul style="list-style-type: none"> - with support be able to put on a coat, get changed and do up a zip. -How to control a pen or pencil by drawing circles, line and pen-pal patterns. <i>Kinetic Letters</i> -With support, how to hold scissors correctly. -With support, how to ride a tricycle -How to use move in diverse ways independently 	<p>Children will know:</p> <ul style="list-style-type: none"> -How to skip and hop -How to use large movement muscles to mark make with purpose <i>Kinetic Letters</i> -How to take part in group activities -How to use the correct resource for different activities. -With support, how to manage bulky items 	<p>Children will know:</p> <ul style="list-style-type: none"> -How to put on a coat, get dressed and undressed and do up a zip independence, -How to ride a tricycle -How to stand on one leg for up to 3 seconds -How to work with others to manage bulky items. 	<p>Children will know:</p> <ul style="list-style-type: none"> - How to hold a pencil in a tripod grip and in their correct hand. <i>Kinetic Letters</i> -How to write some letters and draw simple pictures. <i>RWI/ Kinetic Letters</i> -How to hold scissors correctly and use them independently. -How to use and remember sequences and patterns of movement -How to make up a group activity.
<p>Reception</p>	<p>Children will know:</p> <ul style="list-style-type: none"> - how to move and stop safely in a space. - how to move in different ways and travel in different directions. - how to use a pincer grip/tripod grip effectively in preparation for writing fluency. <i>Kinetic Letters</i> - to use tools safely and effectively with support. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to engage in ring games such as Farmer in the Den and Ring a Roses. -to hold scissors correctly and cut along a line/zig zag -how to use tri-pod grip during mark making -how to form some letters correctly -how to use a knife and fork to aid them when eating. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to ride a scooter and tricycle and be able to stop safely. - how to negotiate obstacles whilst moving a variety of ways. - the importance of exercising and developing their core muscles skills to enable them to access a range of skills such as catching, writing, climbing. - the importance of helmets when riding a bike. - how to safely get on and off their balance bike. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to ride and steer a balance bike. -how to explore and experiment with a wider range of equipment and them with more control. -and recognise the changes that occur in their bodies when we exercise. <i>PD sessions</i> -To use a knife appropriately to cut food. <i>Lunchtimes/ malleable</i> - how to use the balance bike handlebars to steer in different directions. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to refine a range of balls skills and use them appropriately. throwing, catching, kicking, bating, aiming - what skills are needed to enable them to be able to handle a bike and begin to ride safely. - to be able to use a sequence of movements with some change in levels, direction, or speed. - how to safely get on and off their pedal bike. -how to begin to use the pedals to cycle. - how to stop their pedal bike safely and begin to use their breaks. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to participate in sporting events -how to participate in different athletic races and events. -how to show good agility, balance, and co-ordination. -how to combine different movements with ease and fluency. -how to use relevant vocabulary when - observing changes in self and others when exercising.

Tillington Mannor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

Kinetic Letters

- Developing the overall body strength, co-ordination, balance, and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport, and swimming.
- Developing small motor skills so that they can use a range of tools competently, safely, and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks, and spoon.
- Using core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.
- Developing overall body-strength, balance, co-ordination, and agility

ELG

Negotiate space and obstacles safely, with consideration for themselves and others.

Demonstrate strength, balance and coordination when playing.

Move energetically, such as running, jumping, dancing, hopping, skipping and climbing. Hold a pencil effectively in preparations for fluent writing- using the tripod grip in almost all cases.

Use a range of small tools including scissors, paintbrushes and cutlery. Begin to show accuracy and care when drawing.

Tillington Mannor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

Specific Areas of Learning

Literacy Programme of Education

It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)

Nursery	<p>Children will know:</p> <ul style="list-style-type: none"> - there are a variety of different ways to mark make and how to make them. - how to join in with familiar rhymes simple repeated refrains. - how to change characters in Nursery rhymes. T4W - instruments and voices can make loud and quiet sounds 	<p>Children will know:</p> <ul style="list-style-type: none"> - how to handle a book correctly and turn the pages - how to draw circles and lines - some stories or rhymes will have new words in them T4W - different objects or animals will make different sounds - how to differentiate between sounds made from objects or animals. 	<p>Children will know:</p> <ul style="list-style-type: none"> -That mark making has a meaning -That text is read from left to right and from top to bottom -How to change characters in traditional stories T4W 	<p>Children will know:</p> <ul style="list-style-type: none"> -Their name can be changed to a rhyming word -Initial sound of their name -With support, how to use new vocabulary during the school day 	<p>Children will know:</p> <ul style="list-style-type: none"> -How to use some of their print and letter knowledge in their early writing. -Words with the same initial sound -The names of different parts of a book -How to make up their own simple story by changing a character T4W -How to use new vocabulary in different situations. 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to write some or all of their name. -how to form some letters accurately. -all set 1 sounds of the RWI programme. RWI -how to Fred talk simple 1 syllable words RWI
Reception	<p>Children will know:</p> <ul style="list-style-type: none"> - how to hold a book, the correct way up and turn pages from right to left following text where applicable. - how to talk about and retell stories they know, and which are their favourites stories/books and why. - how to read individual letters by saying the sounds for them. - how to form taught letters correctly. -how to write some or all of their name. -all set 1 sounds of the LW programme. -how to blend simple 1 syllable words. T4W and RWI 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to talk about a book they have chosen to read & explain why they have chosen it. -how to blend sounds to read some simple words. -how to segment sounds to be able to write some simple words. -what a sentence is and their key features such as capital letters and full stops. - and be able to talk about the characters, settings, authors, illustrators in books. - some letter names, using these as appropriate. 	<p>Children will know:</p> <ul style="list-style-type: none"> - how to Read some letter groups that each represent one sound and say sounds for them. - how to read some tricky words - how stories are structured. - how to segment and blend to read and write simple words and captions. - how to write for different purposes and to communicate meaning. 	<p>Children will know:</p> <ul style="list-style-type: none"> - how to read simple phrases and sentences made up of words with known letter-sound correspondences and 'red words' consistently. - how to re-read books to build up their confidence in word reading, their fluency and their understanding and enjoyment. - how to read some simple captions/sentences and understand what they have read – answering appropriate questions. - how to write to share ideas and thoughts. - how to write simple Sentences. T4W and RWI 	<p>Children will know:</p> <ul style="list-style-type: none"> - how to begin to use some punctuation - how to develop the use of adjectives. - what conjunctions are and to begin to use them. - how to sound out more complex words in independent reading and writing - how to begin to write captions and simple sentences with growing accuracy and independence T4W and RWI 	<p>Children will know:</p> <ul style="list-style-type: none"> - how to write captions and sentences using some punctuation - how to develop Narrative writing skills - how to confidently use adjectives - how to re-read what they have written to check that it makes sense. T4W and RWI

Tillington Mannor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

Talk for writing Texts	The Enormous Turnip The Three Billy Goats Gruff	The little Red Hen Non-Fiction – Instructions: How to make bread	Whatever Next Non-Fiction – Instructions: Making a jam sandwich	Little Red Riding Hood Non-fiction – Fact file on wolves	Jack & the Beanstalk Non-Fiction – Life Cycle of a butterfly	Rhyming sentences Non-Fiction – Recount of experience
------------------------	--	--	---	---	---	--

Early Learning Goal Comprehension Children at the expected level of development will:

Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary Anticipate – where appropriate – key events in stories.

Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play. Word Reading - Children at the expected level of development will:

Say a sound for each letter in the alphabet and at least 10 digraphs; - Read words consistent with their phonic knowledge by sound-blending.

Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.

Writing Children - at the expected level of development will:

Write recognisable letters, most of which are correctly formed.

Spell words by identifying sounds in them and representing the sounds with a letter or letters.

Write simple phrases and sentences that can be read by others.

Tillington Mannor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

Mathematics Programme of Education

Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.

Nursery	<p>Children will know</p> <ul style="list-style-type: none"> - some simple number nursery rhymes up to 5 - how to say number names in sequence up to 5. - their own spatial awareness (be aware of surrounding environment and different shapes) - how to complete inset puzzles 	<p>Children will know:</p> <ul style="list-style-type: none"> - Simple number nursery rhymes up to 10 - How to count to 3 objects - More than and less than when looking at a group of objects. - The difference between short, small, long and tall - how to construct with different 3D shapes - how to notice patterns and arrange things in patterns. 	<p>Children will know:</p> <ul style="list-style-type: none"> - position through words, with support -how to discuss routes and locations with support - the language of size = to compare an amount of objects =how to talk about patterns around them 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to make comparisons of objects relating to size, length, weight and capacity -how to use the language of more than and fewer than -how to combine shapes to make new ones -how to copy an ABAB pattern - how to play a simple board game, with support 	<p>Children will know:</p> <ul style="list-style-type: none"> -they can mark make numerals and other symbols -how to solve problems up to 5 -how to extend an ABAB pattern -how to count 1.1 5 objects -how to identify group with same amount of objects up to 3 	<p>Children will know:</p> <ul style="list-style-type: none"> -how to spot an error in an continuous pattern =how to use the language first, next, then - the names of 2D and some 3D shapes and how to explore their features with support -how to describe a familiar route -how to subitize up to 3 objects - play a simple board game
Reception	<p>- Children will know:</p> <ul style="list-style-type: none"> - how to identify when a set can be subitised and when counting is needed. - how to hear and join in with counting sequences. - the importance of counting skills and knowledge, including that the last number in the count tells us 'how many' (cardinality) - how to compare sets of objects by matching - the names and properties of 2D shapes 	<p>- Children will know:</p> <ul style="list-style-type: none"> - how to hear and join in with the counting sequence, and connect this to counting numbers, seeing that each number is made of one more than the previous number. - how to develop counting skills and knowledge, - including: that the last number in the count tells us 'how many' (cardinality); to be accurate in counting, each thing must be counted once and once only and in any order; - the need for 1:1 correspondence; understanding that 	<p>- Children will know:</p> <ul style="list-style-type: none"> - how to continue to develop their subitizing skills for numbers within and beyond 5, and increasingly connect quantities to numerals - how to begin to identify missing parts for - numbers within 5 - how to explore the structure of the numbers 6 and 7 as '5 and a bit' and connect this to patterns - how to focus on equal and unequal groups when comparing numbers 	<p>- Children will know:</p> <ul style="list-style-type: none"> - that two equal groups can be called a 'double' and connect this to - finger patterns - how to sort odd and even numbers according - to their 'shape' - how to continue to develop their understanding - of the counting sequence and link cardinality and ordinality through the 'staircase' pattern - how to order numbers and play track games - how to join in with verbal counts beyond 20, - hearing the repeated pattern within the counting numbers 	<p>- Children will know:</p> <ul style="list-style-type: none"> - continue to develop their counting skills, - counting larger sets as well as counting actions and sounds - explore a range of representations of numbers, including the 10-frame, and see how doubles can be arranged in a 10-frame - compare quantities and numbers, including sets of objects which have different attributes - how to order objects by size, length and weight, using appropriate vocabulary effectively. - 	<p>- Children will know:</p> <ul style="list-style-type: none"> - how to continue to develop a sense of magnitude, e.g. knowing that 8 is quite a lot more than 2, but 4 is only a little bit more than 2 - begin to generalise about 'one more than' and 'one less than' numbers within 10 - continue to identify when sets can be subitised and when counting is necessary - develop conceptual subitising skills including when using a rekenrek how to use the shape knowledge to support them in all areas of their learning.

Tillington Manor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

		<p>anything can be counted, including actions and sounds</p> <p>- how to begin to develop the language of 'whole' when talking about objects which have parts.</p> <p>-how to recognise, continue and create repeating patterns.</p>	<p>-how to use and understand positional language effectively.</p> <p>-vocabulary relating to size and measurements and be able to identify longest, shortest, heaviest, lightest.</p>	<p>-the names and properties of 2D and 3shapes.</p>		<p>-how to measure objects using standard and non-standard forms of measurements.</p>
--	--	--	--	---	--	---

Early Learning Goals

- Children at the expected level of development will:
 - Have a deep understanding of number to 10, including the composition of each number.
 - Subitise (recognise quantities without counting) up to 5;
- Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.
 - Children at the expected level of development will: -
 - Verbally count beyond 20, recognising the pattern of the counting system.
 - Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity.
 - Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

Tillington Mannor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

Understanding The World Programme of Education

Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension

<p>Nursery</p>	<p>Children will know: - to recognise themselves and be able to talk about their features (hair colour, eye colour) - who lives with them at home. - how birthdays and other events can be celebrated Birth day celebrations With support, naming and describing important people to them Differences between themselves and others. - How to make connections between their family and others. -Names for farm animals -to begin to understand how different areas in school have similarities and differences transition -to begin to understand there are different occupations</p>	<p>Children will know: - How to explore and talk, with support about new environments. - How to talk about the weather each day -With support, how to celebrate different events Christmas, Diwali etc. - How to explore, with support, new environments and natural materials -about Autumn and the changes in October and November. -There are different countries in the world -how to talk about similarities and differences between where they live and someone else -how different areas in school have similarities and differences transition</p>	<p>children will know: -different forces they can feel, with support -begin to talk about differences between materials -about Winter and the weather in the months of January and February -about Valentine's Day and Chinese New Year and how people celebrate these events Lunar New Year - that astronaut landed on the moon</p>	<p>children will know: -how to explore properties of different and similar materials -about Spring and the weather in March and April. Forest Fridays -about Pancake Day, Mother's Day and Easter and how people celebrate these events Pancake day Mothers day Easter -how to talk freely about the outside environment - How the state of food changes when heated - How food can be made. -how to plant seeds and care for growing plants --the life cycle of a plant and animal, with support -how to care for all living things and the environment, with support -about Spring and the weather in the months of March and April- Nature walks</p>	<p>children will know: -that our country is ruled by a monarch. (King Charles) -the people in the royal family - we live in the United Kingdom - to talk about what they see using a wide vocabulary. - begin to make sense of their own family's history. - continue developing positive attitudes about the differences between people. - know that there are different countries in the world.</p>	<p>children will know: -how to show an interest in different occupations -about Summer and the weather in the months of June and July Forest Fridays</p>

Sequential Curriculum Overview

Expressive Arts and Design Programme of Education						
The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe. Give children an insight into new musical worlds. Invite musicians in to play music to children and talk about it. Encourage children to listen attentively to music. Discuss changes and patterns as a piece of music develops.						
Nursery	<ul style="list-style-type: none"> - Children will know: <ul style="list-style-type: none"> -how to sing and perform simple rhymes and songs. T4W - how to engage in simple pretend play, using everyday objects and adding roles in play. - The names of colours and the impact of colour mixing. - how to explore musical instruments and understand that they make different noises -how to draw simple faces. 	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> with support, how to play with others in simple pretend play - with support, how to make simple buildings or structures with 3D blocks - some names for musical instruments - with support, how to perform some rhymes and songs - with support, how to perform a simple repetitive dance routine Nativity 	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> -how to join different materials and explore different textures, with support -begin to develop stories with small words equipment -how to recite and perform simple stories T4W -how to make imaginative small worlds 	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> -how to develop their own ideas and decide which materials to use to express themselves -how to draw faces and other objects with increasing detail -exploring the mixture of colours and beginning to look for patterns in this e.g. white makes colours lighter. 	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> - how to freely choose materials to create pictures and artwork - how to join in with class singing, dancing and performing 	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> -how to use drawings to represent ideas like movement or loud noises -how to show different emotions in their drawings and paintings - how to respond to what they have heard, expressing their thoughts and feelings -how to create their own songs -how to improvise a song that they know
Reception	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> -how to create simple representations of people and objects using different techniques. -how to use the role play area to draw upon experiences they have experienced at school or at home -how to explore about and talk about colour. 	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> - the roles of composers and artists Artist study -how use painting techniques from artists to inspire their own work. -how to perform and sing in a Nativity Infront of an audience. Nativity/ performances -How to talk about and compare different types of music. -:how to engage with music, songs and dance from around the world. 	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> - how to join in with simple songs remembering some of the words. -how to move to musical stimuli in a variety of ways. - about the Artwork of Jackson Pollock - Artist Study -how to develop storylines and add these into their role play. - how to talk about and add texture/ effects to their work 	<ul style="list-style-type: none"> Children will know: <ul style="list-style-type: none"> - how to use a variety of media to create different effects and use these independently in their work. Artist study - to explore and play a range of instruments - how to tap out simple repeated rhythms and make some up showing interest in the way musical instruments sound. -how to use their voices when role playing o creates different effects. - how create observational drawings -how colours mix to make new colours, and which colours they make e.g. red and yellow make orange 	<ul style="list-style-type: none"> Children will know; <ul style="list-style-type: none"> -how to work collaboratively with others to share ideas, develop and act out roles in role play. -how to construct with a purpose and use joining techniques effectively. - how to design, adapt and modify their work accordingly. - a variety of painting techniques Artist study of Vang Gough – sunflowers 	<ul style="list-style-type: none"> Children will know; <ul style="list-style-type: none"> -how to watch performances and be a good audience member, expressing their feelings and responses. -how to lead a performance with words, poems and song in front of an audienceT4W performance -how to use their knowledge of colour, texture and effect to apply to their work independently. Painting techniques, design apply collage Artist study: Edgar Degas

Tillington Manor Primary School Early Years Foundation Stage
Sequential Curriculum Overview

Early Learning Goals

- Safely use and explore a variety of materials tools and techniques, experimenting with colour, design, texture, form and function.
 - Share their creations, explaining the process they have used.
 - Make use of props and materials when role playing characters in narratives and stories.
 - Invent, adapt, and recount narratives and stories with peers and their teacher.
 - Sing a range of well know nursery rhymes and songs.
- Perform songs, rhymes, poems and stories with others and (when appropriate) try to move in time with music.

Please note: Skills and knowledge taught or gained in any area of learning, as outlined on this plan, are not confined to a single term; they will continue to be supported and developed throughout the children's time in Early Years
